DECLARATION

I, RONALD C. RACHOW, being duly sworn, do hereby say that:

1. I am an Assistant United States Attorney in Reno, Nevada.

2. On February 28, 2006 an application for Search Warrant for a residence located at 12720 Buckthorn Lane, Reno, Nevada, was presented to United States Magistrate Judge VALERIE P. COOKE for search authorization. On the same date, the Magistrate authorized the search of the above named residence.

3. The information contained in the affidavit relates to proprietary intellectual property and national security classified materials. The search warrant has been requested as part of an ongoing investigation and premature disclosure would have an adverse effect on locating and identifying other individual(s) who may be involved.

4. Therefore, your affiant believes that good cause exists to seal the above-mentioned affidavit in support of Search Warrant, Motion to Seal, and Order to Seal until a formal request is made by the defense for unsealing of the affidavit, or discovery requirements dictate the disclosure of such information or upon conclusion of the investigation at which time the Government will move to order the unsealing of the affidavit.

RONALD C. RACHOW
Assistant United States Attorney
